NAPR Services, Inc. provides the Subscription Program as a service to all members of NAPR. As with any candidate sourcing vehicle, there can be no assurances of the minimum number or quality of responses. We hope that the cooperative mailing program, used in conjunction with other candidate sourcing efforts, will be an effective tool in your recruitment process. Mailers and broadcast emails are sent to over 130,000 physicians. Physician mailing labels and email addresses are obtained through an AMA-licensed mailing house, Medical Marketing Services, Inc. (MMS)
